## WINES

### 2007 Hunter Valley Shiraz

<b>Region:</b>	Hunter Valley
<b>Varietals:</b>	Shiraz
<b>Technical</b>	14.0 % Alc/Vol
<b>Specifications:</b>	3.61 pH 5.7gl TA
<b>Appearance:</b>	Deep purple
<b>Aromas:</b>	Savoury, earthy, and spicy with a hint of cherry, plum, and blackcurrants.
<b>Palate:</b>	A typical savoury Hunter style with persistent spice and white pepper characters dominating. The mid-palate displays ripe fruit characters combined with subtle spicy oak and firm but elegant tannins.
<b>Cellaring:</b>	Drinking well now, but will continue to improve with 5 plus years further cellaring.
<b>Back Label Text:</b>	Hunter Shiraz is one of the great wines of Australia. Powerful while remaining subtle, great fruit but balanced by spice and earthy characters. Round, soft tannins ensure wines can be enjoyed young, but balance and great length of flavour ensure they will reach their best in 5-10 years. This wine is a fine example of a true Hunter Shiraz.
